

HR BA **Tehnički list**

AP-2911

Aluminijski profil
IP20

- Profil dolazi u komadu od 2 metra

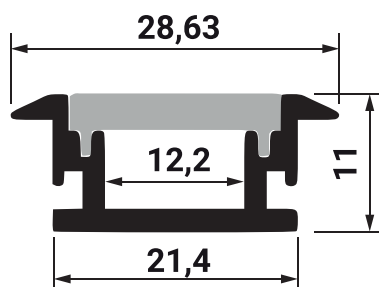

Osnovne informacije

• Model	AP-2911
• Materijal	Aluminij
• Način montaže	Ugradna montaža
• Neto težina	kg
• IP stupanj zaštite	IP20
• Boja artikla	siva + mliječni pokrov

Dimenzije

• Dimenzije artikla	28,63 x 11 x 1000 mm
---------------------	----------------------

SI Podatkovni list izdelka

AP-2911

Aluminijasti profil
IP20

- Profil je na voljo v enem kosu, dolgem 2 metra

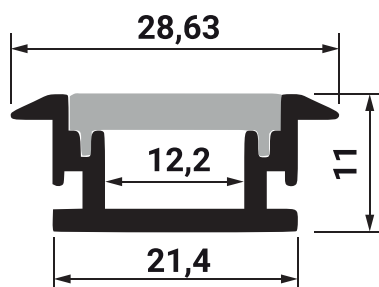

Osnovni podatki

• Model	AP-2911
• Material	Aluminij
• Montaža	Vgradna montaža
• Neto teža	kg
• IP stopnja	IP20
• Barva izdelka	siva + mlečni pokrov

Dimenzije

• Dimenzije izdelka	28,63 x 11 x 1000 mm
---------------------	----------------------

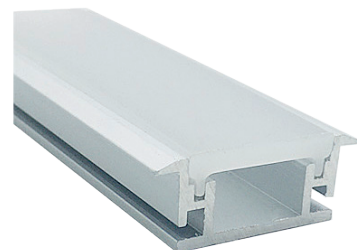

DE Produktdatenblatt

AP-2911

Aluminium-Profil
IP20

- Das Profil kommt in einem einzigen Stück von 2 Metern

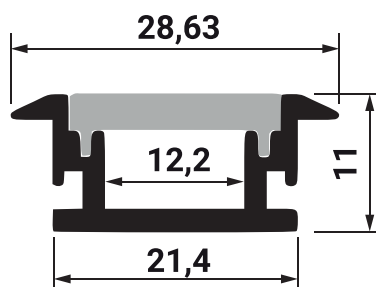

Allgemeine Informationen

• Modell	AP-2911
• Material	Aluminium
• Montage	Versenkte Montage
• Nettogewicht	kg
• IP-Schutzart	IP20
• Produktfarbe	Grau + milchige Abdeckung

Abmessungen

• Abmessungen des Produkts	28,63 x 11 x 1000 mm
----------------------------	----------------------

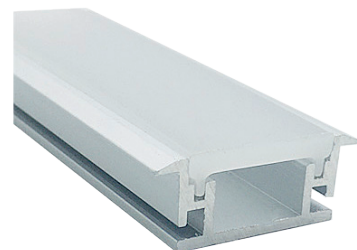

EN Product datasheet

AP-2911

Aluminium profile
IP20

- The profile comes in a single piece of 2 meters

General informations

• Model	AP-2911
• Material	Aluminum
• Mounting	Recessed mounting
• Weight	kg
• IP protection rate	IP20
• Product color	gray + milky cover

Dimensions

• Product dimensions	28,63 x 11 x 1000 mm
----------------------	----------------------
